To Dalit and staff

Sammi, Morley and I want to thank you and your staff for all the wonderful care you gave Sammi while she had a sore leg. You did your best to give her glam app'ts when she needed them. So not only did she come home looking beautiful, I knew she would be extra safe in your care. We feel very fortunate to have found such a wonderful team of people.

We wanted to find a way to thank all of you for your part in Sammi's care, her grooming, safety, treatment, watching over her and the myriad of things you do without even noticing. We weren't sure how many folks are there helping. So we thought we would find a way of giving each of you a little treat of your choice. Dalit, I've included some money which I'll leave with you to share among you and your staff.

The amounts don't represent our gratitude which is HUGE. BIG thanks to each of you.
